PERSONAL SUMMARY

A highly resourceful, flexible and innovative hairstylist and make-up artist with excellent interpersonal and communication skills. Experienced in tailoring hair and make up for various occasions and individuals including models, performers and presenters. I have a passion and flair for sophisticated, glamorous hair and make up whilst ensuring that natural beauty is enhanced.

OBJECTIVE Looking for a creative, consistent part-time role as a hair and make-up artist where I can continue to apply my skills in hairstyling and make-up artistry.

SKILLS

- Advanced skills in colour combination and skin tone management
- Expert in bridal make-up and hairstyling
- Skilled in barbering, period and modern hairstyling as well as men's grooming
- Experienced in Afro hair, weaving, wigs and braids
- *Proven ability to liaise with both Artistic Director and model to understand creative requirements and personal adaptations; has previously inquired and developed ideas further on set via exploratory discussion techniques*

OTHER

To compliment my passion for make up, I have also been a professional dance teacher and choreographer for 25 years. Having performed and taught student shows in a number of dance events I have had to demonstrate the following skills:

- *People management and leadership skills*
- *Mentoring, motivating and driving others to achieve key milestones and targets*
- *Entrepreneurial flair in maximising opportunities to grow initiatives*
- *Dedication to delivery whilst focusing on sales and promotion*
- *Experience in all stages of event planning from set up to execution*
